(*)

The WEEE Return registration service takes into account one category of appliance and one brand. Each additional brand is charged with a fee of **€79.95**.

(**)

As part of the registration for B2C devices, costs are incurred for an insolvency-proof guarantee which must be deposited with the EAR foundation. There are different models here. The insolvency-proof guarantee serves to deposit a security that in the event of insolvency the disposal costs of the equipment placed on the market (or a quantity equivalent) are covered.

(***)

If an amount adjustment is needed, this is charged with a fee of **€49,99€** per category.

All costs, fees etc. that may be charged by national compliance schemes, authorities etc. in the respective country are not part of the service and the associated service fees of WEEE Return. All information without guarantee. Errors excepted.

WEEE Return©

General conditions for price indication / indicative price offer

Stand: 19.12.2025

Customer / Distributor:

Distributor type: Manufacturer/Importeur

Offer conditions / remarks:

We shall initially be bound by this offer for 2 weeks from the date of the offer. After that the offer is subject to change. From this date onwards, WEEE Return GmbH reserves the right to make changes to the services offered and/or their conditions. This shall be the case in particular if the calculation basis of the present offer changes, e.g. due to fluctuations on the relevant raw material markets. Acceptance of the present offer is only possible through the conclusion of a disposal contract between the parties.

All the above logistics and recycling conditions are subject to compliance with the legally prescribed minimum collection quantities in accordance with the ElektroG.

All information without guarantee. Errors excepted.

All prices quoted are exclusive of the legally applicable value added tax. Negative values indicate payments to the client. For the delivery of valuable waste or waste components and their settlement within the scope of credit notes to the client, the so-called reverse charge procedure (shifting of the VAT liability from the performing company to the recipient of the service) pursuant to §13 UStG shall apply, if applicable.
